

BREW LUMINATI

Gold Deluxe

Two labs. Two quests for perfection. One beer. Maris Otter Barley was perfected in a laboratory in Cambridge during the 1950's. Years later in a shroud of secrecy the Japanese spliced 2 hop varieties to form the exotic Sorachi Ace. We could tell you about how perfectly the exotic lemony zest of the Sorachi Ace melds with the hearty Maris Otter backbone but that wouldn't do it justice. We could also tell you how this beer defies style as most of the beers in the Brewluminati series do. But instead we will remind you that there are those in this world that want to deprive you of good brew, and the only way to tap into the conspiracy is to experience it for yourself.
